THE BEST IS YET TO COME Navigators scales up its service portfolio from HFZA

NG News desk, UAE: In a recent development, Navigators Shipping and Logistica FZE has enhanced customs clearance activity in the Hamriyah free zone and Sharjah, according to the company press release. The company has confirmed that the facilities and services are being scaled up slowly and gradually, as per the rise in demand. Navigators aims at providing total logistics from the Hamriyah free zone before the year end. Navigators Shipping and Logistica FZE, takes great pleasure in having a prominent presence in Hamriyah free zone which provides world-class facilities in terms of infrastructure and administrative support. Hamriyah, is already home to a cross section of businesses like Oil & gas, infrastructural development, logistics, manufacturing, energy sector and many more.

The positioning in HFZA is a strategic one as this could enhance the momentum for boosting the company's activities in Sharjah and the Northern Emirates. The suite of services from the team Navigators at HFZA include **Ocean freight and Air freight cargo movement, Over-land transportation, Vessel catering services, Chartering of vessels and Customs clearance services.** Hamriyah free zone provides a cosmopolitan climate that complements the company's service offering.

We aim at providing the best-in-class service in the most affordable manner to companies, and overcome challenges rendered through the unchartered waters of the global pandemic and a yet to revive global economy. HFZA offers the perfect eco-system for Navigators to progressively associated with companies from multiple verticals and share knowledge and business on a mutually beneficial manner" commented the Corporate communications department of Navigators.

From the Dubai and Dubai world central (DWC) offices Navigators offer additional services in the field of Supply chain management, E-Clearance, Air and Sea Charter, Turnkey Projects, Abnormal Loads, Hospitality and Hotel Logistics, Automotive Logistics, Events and Exhibitions- Fine Arts and E-commerce fulfilment services.

Navigators Shipping and Logistica is one of the fastest growing Freight forwarding and Logistics companies in the UAE. A company, having completed 10 years in the global freight forwarding and logistics wish to express their gratitude to all the stakeholders and network associates for the achievement. Technological advancement is paramount in meeting with the global requirements. Navigators have invested deeply in digitalization and engages cutting edge technologies to transform the business activities, converting complex cargo movement tasks 100 % hassle free, for the customers.

TATA GROUP WINS BID FOR AIR INDIA

The Tata Group won the financial bid for acquiring debt-laden national carrier Air India on Friday.

The decision marks the start of the Centre's privatization programme after a hiatus of nearly two decades. Secretary of the department of investment and public asset management (Dipam) Tuhin Kanta Pandey and civil aviation secretary briefed the media on the amount of financial bids received, details of the sale process, status of existing employees among other details.

The government had set a reserve price of Rs 12,906 crore for the airline. The Tata Group had quoted a winning bid of Rs 18,000 crore for acquiring Air India, higher than the reserve price. Of this, Rs 15,300 crore is debt and the rest Rs 2,700 crore will be in cash.

While, the consortium led by SpiceJet promoter Ajay Singh had quoted a financial bid amount of Rs 15,100 crore.

MACHINES MOVED DESPITE CHALLENGES

PROJECT CARGO MOVEMENT FROM JEBEL ALI TO HAMAD PORT BY NAVIGATORS

NG News desk, UAE: The Projects team at Navigators shipping successfully executed a major movement of Man-Lifts from Jebel Ali to Hamad. The movement which required close coordination was handled professionally by the Navigators projects team with careful planning and meticulous handling. The cargo weighing 89829 kgs were moved in Low-bed trailers, consisted of 8 units of machines.

The last-minute alterations and the vessel skip posed major challenge for the Projects team. "Our team who have years of experience in handling complex cargo movements in the GCC, were prepared to meet hurdles, which are quite often when you work on timeline basis. We make sure that the cargo movement happens smooth, and all operations are up to the mark and at par with client expectations." Commented the team leader.

The entire units were carefully moved under expert supervision to the Jebel Ali port for its ocean bound journey to the Hamad port in Qatar. All documentation works and permission were taken from the authorities, and as usual extensive route survey were conducted by the Navigators survey team, prior to the land transport commenced. High professionalism was displayed by each, and every team member involved in the project and proved once again Navigators' commitment towards achieving highest quality of service rendition.

DP WORLD PARTNERS WITH CDC GROUP TO CREATE AFRICA INVESTMENT PLATFORM

DP World has announced the creation of an investment platform in partnership with the UK's development finance institution and impact investor CDC Group (CDC).

DP WORLD

The platform covers a long-term investment period. DP World is contributing its stakes in three existing ports initially and expects to invest a further \$1 billion through the platform over the next several years. CDC is committing approximately \$320 million initially and expects to invest up to a further \$400 million over the next several years. The transaction is subject to certain final regulatory approvals.

The platform will invest in origin and destination ports, inland container depots, economic zones, and other logistics across Africa to increase trade, create new job opportunities and broaden access to essential goods. It will initially be seeded with minority stakes in existing DP World assets with significant capacity expansion plans, including Dakar (Senegal), Sokhna (Egypt) and Berbera (Somaliland). Trade enabled through the ongoing expansions is expected to create an additional 138,000 employment opportunities in the wider economy. By 2035, the ports are expected to support stable employment for around 5 million people indirectly.
